

## Login and Sign Up Page

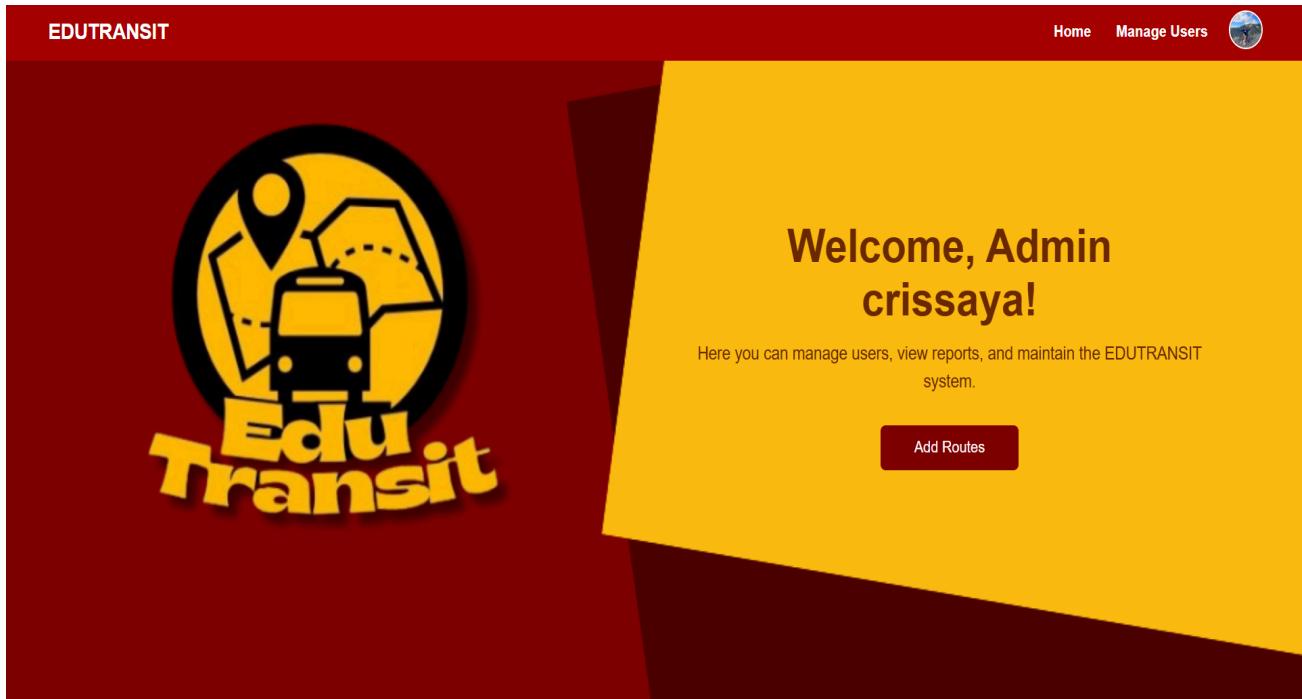

The image shows the login page of the School Bus System. The background is split into two colors: dark red on the left and yellow on the right. On the left side, there is a stylized illustration of a yellow school bus facing forward. The right side features a logo consisting of a circular icon with a steering wheel and the word "Edutransit" below it. Below the logo, the text "School Bus System Login" is displayed. There are two input fields: one for "Username" and one for "Password", followed by a "Login" button. At the bottom, a link "Don't have an account? [Register](#)" is visible.

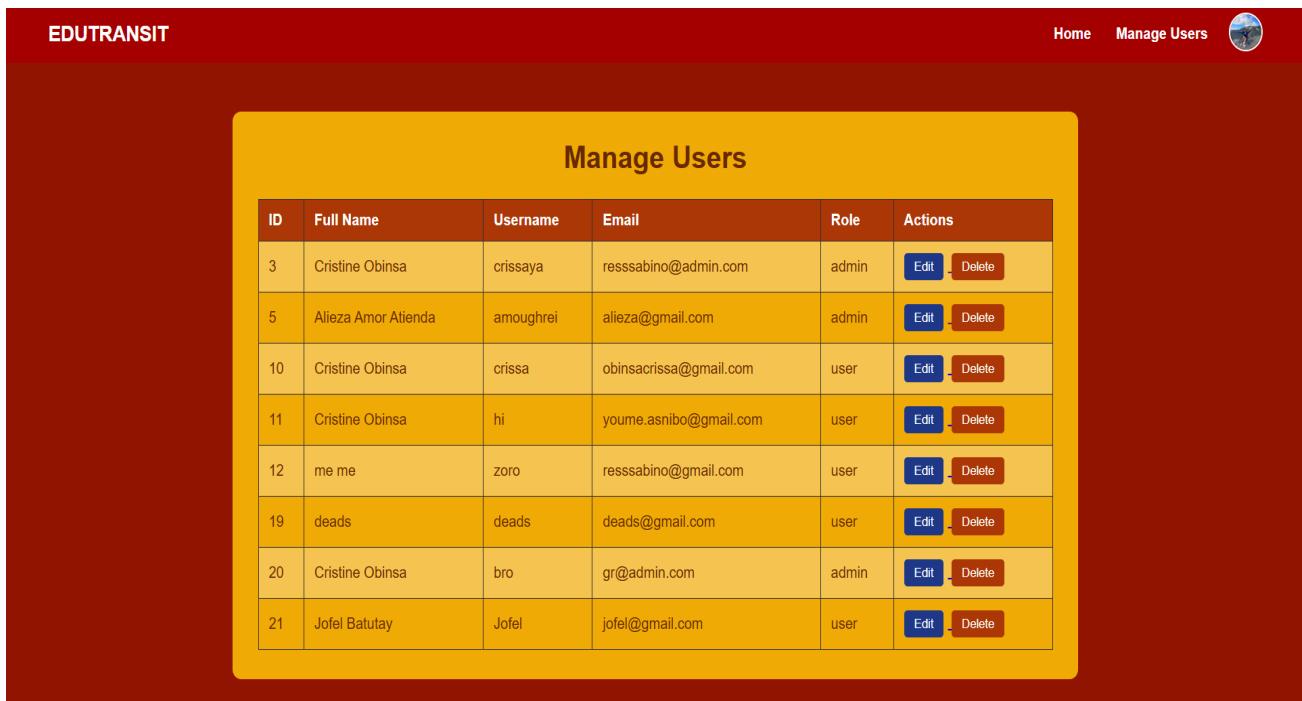

The image shows the "Create Account" page of the School Bus System. The background is yellow, matching the right side of the previous page. It features the same stylized yellow school bus illustration. On the right side, there is a form titled "Create Account" with six input fields: "Full Name", "Email Address", "Contact Number", "Address", "Username", and "Password". Below the password field, a note states "Minimum of 8 characters • 1 uppercase • 1 number". There is a "Register" button at the bottom of the form. A link "Already have an account? [Login](#)" is located at the very bottom of the page.

## Admin Dashboard

The dashboard features a large yellow header with the text "EDUTRANSIT" on the left and "Manage Users" with a user icon on the right. Below the header is a red section containing the "EduTransit" logo, which includes a circular icon with a bus and a map, and the text "Edu" and "Transit" stacked vertically. To the right of the red section is a yellow area with the text "Welcome, Admin crissaya!" and a message about managing users, reports, and the system. A blue "Add Routes" button is located at the bottom right of this yellow area.

The screen shows a yellow header with the "EDUTRANSIT" logo on the left and "Manage Users" with a user icon on the right. Below the header is a yellow section titled "Manage Users" containing a table with the following data:

| ID | Full Name           | Username  | Email                  | Role  | Actions                                     |

Edu Transit

## About EDUTRANSIT

EDUTRANSIT is a web-based school bus route management and simulation system designed to improve the planning, monitoring, and efficiency of student transportation. The system allows administrators to create bus stops, connect routes using real road networks, and simulate bus movement to support better decision-making.

By combining interactive maps with secure user access, EDUTRANSIT provides a reliable platform for managing school transportation in a safe, organized, and user-friendly environment.

This system was developed by students of the College of Computer Studies (CCS), Mindanao State University – Iligan Institute of Technology (MSU-IIT) as part of an academic project, applying modern web technologies to address real-world transportation challenges.

## Contact Us!

We'd love to hear from you! If you have questions, feedback, or need technical support regarding EDUTRANSIT, please reach out using the information below.

### Support & Inquiries

For system-related concerns such as:

- Technical issues
- Feature suggestions
- System feedback

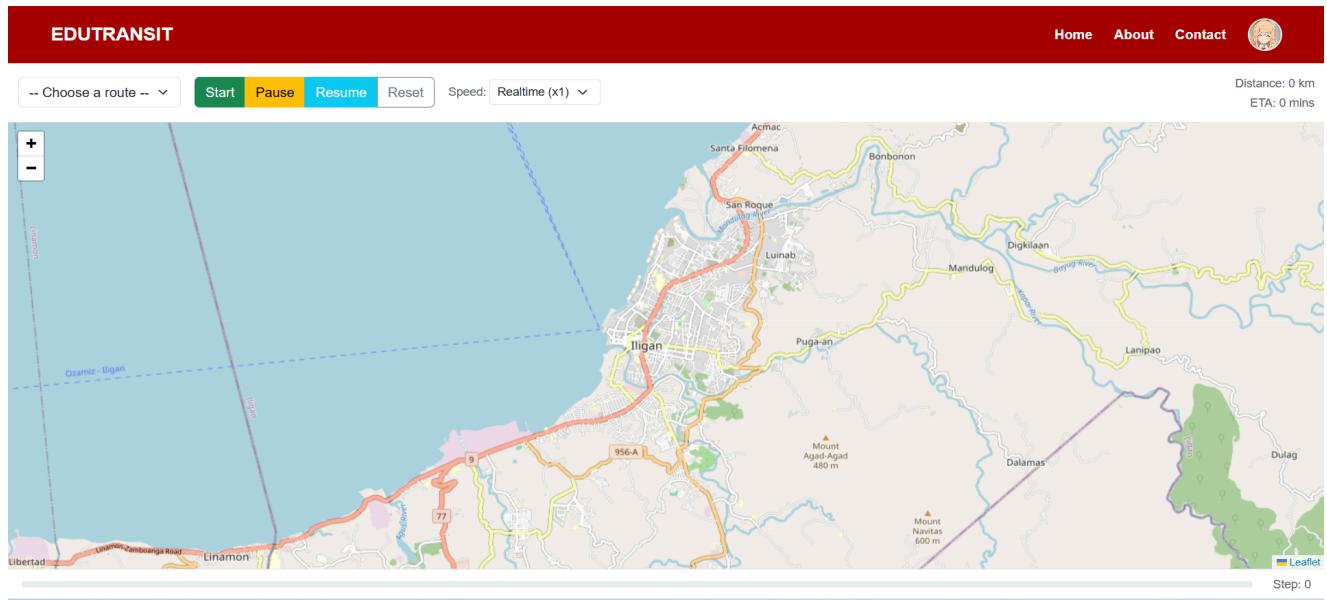

Please contact us through:

- Email: edutransit.support@gmail.com

### Disclaimer:

*EDUTRANSIT is an academic project developed for educational purposes. The system is continuously being improved based on testing and user feedback.*

## User's Simulation

## Admin and User's Profile

The screenshot shows the EDUTRANSIT profile management interface. At the top, there is a red header bar with the text "EDUTRANSIT". To the right of the header are links for "Home", "About", "Contact", and a user icon. The main content area has a yellow background and is titled "Your Profile". It features a circular placeholder for a profile picture, which currently displays a cartoon character with blonde hair. Below the placeholder is a file input field labeled "Choose File" with the message "No file chosen". There are four input fields for personal information: "Full Name" (Cristine Obinsa), "Username" (crissa), "Email" (obinsacrissa@gmail.com), and "Contact Number" (09157543249).
